Chairman's letter:

The Church Mouse Thrift Shop is pleased to announce that its 17 th year of service to the community was extremely successful The organization remained true to its Mission which is:

“We exist as a Christ centered shop to provide usable goods to the people of our community at a reasonable price, to assist people in need and to provide funds to non-profit Christian Missions and and Christian outreach in Jesus’ name.”

Sales Revenue in 2022 exceeded our expectations as we continue to receive generous quality donations from the local community. We are extremely fortunate that there are approximately 100+ volunteers, a dedicated staff of employees and a working Board of Directors that allow us to operate and grow this thriving organization.

With the Lord’s blessing and the hard work of those involved in its operations, we are able to support a wide variety of organizations both locally and internationally. The Grants that are awarded play a significant role in assisting many individuals and organized missions.

The success of the Church Mouse this year has allowed us to continue to invest in improving our business through the implementation of a variety of projects to allow us to continue to grow in the future. These projects are highlighted on the following pages.

achieving record-breaking donations to
non-profit organizations

2022 grants & pass throughs— \$724,500

Wooded lot next door transformed into parking lot for 31 cars.

Handicap ramp at front of store.

Expanded jewelry department display.

Added new dressing room downstairs.

Renovated bathroom downstairs for customers.

New lighting and new door with window in small boutique room downstairs.

Thank you to all our volunteers!! The Church Mouse is blessed to have close to 100. The volunteers work in one or more of the many areas we have. You can work in women's boutique or non-boutique, men's clothing, sporting goods, electronics, or jewelry. Or you can help in a department featuring furniture, lamps, home décor, or housewares. We also have cashier positions available as well.

We had a very successful 2022 and we couldn't have done that without our volunteers. Through the donation and sale of our various goods we help support a multitude of nonprofits. The total donations and pass-throughs exceeded \$700,000 for the first time.

Our volunteer parties were again a great success at Point Comfort in the fall, the spring, and our Christmas party at the Yacht Club of HHI as well as birthday parties held throughout the year. Spread the word to family and friends to come join our family of volunteers because family can make a difference.

Among the attendees at our Christmas party were our board chair Bill Peacher and his wife Ronelle, and our new Rector of Saint Luke's Anglican Church, The Rev. Dr. Jady Koch and his wife Liza shown below.

Additional rack added for gowns opposite jewelry counter.

Improved lighting and shelving in the man cave.

Mr. & Mrs. Claus made an appearance at our Christmas party!

Mission: The Church Mouse exists as a Christ-centered shop to do the following:

- to provide usable goods to the people of the community at reasonable prices;
- to assist people in need by pass-through goods; and,
- to provide funds to non-profit Christian missions, Christian outreach, and local non-profit organizations as requested in Jesus' name.
